**Trustees: Ron Grubbs, Dustin Duncan, Lucas O'Connell, Tim Wendt,  
Steve Abrassart and Bill Jennings**

## **President's Report**

**July 10, 2017**

- 1. Condemned Home** – Dana and I discussed our options for moving forward on this house located at 285 S Sheffield St. I have asked Don Leveque to have a cost estimate on the demolition of this house. We should try and have this work done this summer and not let this continue on.
- 2. River Valley Special Recreation Assoc.** – We spoke about this at the last meeting. Tom Breitenbucher was not able to attend this meeting. He may attend our next one.
- 3. Aqua Illinois** – Aqua contacted me last month concerning the purchase of our water system. We met a couple of weeks ago. They are still very interested in purchasing our system. We basically discussed our system and how they have tried to purchase it in the past. How we are one of the few municipalities that own their own system in the area. We spoke about the pros and cons of owning our own system. I feel at this time we should at least listen to what they have to say and what the value our system would be worth. In my opinion whether we keep the system or sell it, we need to be charging much more than we currently are in order to do the major improvements that need to be done.
- 4. Electricity Aggregation** – The County has renewed the Electricity rate for 2017 through Sept. 2020. The Village of St. Anne is part of this aggregation group. We joined this Aggregation group back in 2014. Our new rate will be 6.800c/kWh vs. ComEd's rate of 7.122c/kWh through May, 2018. Our residents will be notified of this new rate and will have the ability to opt out if they don't want our lower rate.

5. **Goals for the Village** – If you have not filled out your 2 and 5-year goals yet, please do so before the next meeting.
