**President: David O'Connell, Clerk: Kenneth Blum, Treasurer: Linda Leveque**

**Trustees: Terry Sirois, Bill Jennings, Randy Blanchette, Ron Grubbs,**

**Dustin Duncan and Lucas O'Connell**

## **President's Report**

**April 10, 2017**

- 1. Building at 167 W Station Street** – Since we don't have a buyer for this building, I would like to see if there is any interest in the Village making improvements to this building and possibly coming up with a use for the building.
- 2. Committees** – I have assigned the new Village Committees. Attached are the assignments for the next two year. Please let me know if you have any questions.
- 3. Condemned Homes** – I have spoken with Cliff Cross, the City Planner for the City of Kankakee concerning this house on Sheffield Street. Cliff has found basically the same issue that we have known concerning the tax buyers on this house. He has given me a State Statute that deals with this type of abandoned property. I'll get this to Dana and see if we can go this route.
- 4. Youth Group** – Saturday I spent some time speaking with the Youth Group Officials about their store building. They need some help with the purchasing of siding and some lumber to fix their building and widen the overhead door. Last year we as a board, talked about helping them with this issue. I have asked them to get us a list of materials that they need to make the repairs. They will supply the manpower to make the repairs.
- 5. Park Pavilion** – I think it's about time we take a serious look at replacing the cement slab under the pavilion. If we're are going to spend money on the slab for the pavilion at the pond, I think we need to get a cost of replacing the slab at the park pavilion at the same time. It might be cheaper if we do both project at the same time.
