## **President's Report**

**July 11, 2016**

1. **Building at 167 W Station Street** – I've spoken a couple of times with the person interested in this building. I gave him Jim Hudson's contact information. In speaking with him, I told him that all the requirements are listed on the website. He was supposed to call Jim and set up a time to look over the building.
2. **Condemned Homes** – I contacted Lyubomir "Lou" Alexandrov about his house again. I told him that it's getting a little overgrown and the bushes need to be trimmed back again. We'll see if he complies.
3. **Sign Repair** – I'd like to publicly thank Tom & Marianne DeYoung, Scott & Lisa DeYoung along with their family and their farm crew also, Carol O'Connell and the Beautification Committee. They have all done an outstanding job of clearing out and rebuilding the area where our Town Sign once stood. I would also like to thank, Karrie Witvoet, and the St Anne Township for donating the new flag pole. With the new Evergreen trees and flag pole it all looks beautiful out there.
4. **New Sign** – Two weeks ago I was speaking with our Insurance Agency about our sign. They said to file a claim on it and let them know the value of the claim. They were not sure if the two signs were ever listed on the policy, but they didn't think it would be a problem with the claim. I've asked Ken to fill out the paperwork. In the meantime, the Beautification Committee is getting pricing on a new sign. Once they have some quotes, I'll have them present them to the board.
