Steve Abrassart and Bill Jennings**

President's Report

October 9, 2017

- 1. Condemned Home** – We should have an update in November on this house from Dana.
- 2. Aqua Illinois** – I had a good meeting with Aqua last month. We went over some preliminary numbers for our water and sewer system. The main issue we discussed was including an iron filtration system as part of any deal. We will have a full Board Meeting with them at some point in the future.
- 3. Delinquent Utility Bills** – Again, this campaign of collecting past due amounts seems to be working well. We have drawn down the outstanding balance by a little over \$20K. You should be noticing the steady increase in our Water Fund.
- 4. Building on Station Street** – We have sent in the check for \$647.00 to purchase this building. Once we have the title we can solicit bids for the purchase of the building. I do have one person very interested in the building. We actually walked through the building a couple of weeks ago.
- 5. 2 & 5 Year Goals** – I will have this information ready for the next meeting.
- 6. Storm Drain Repair** – Now that we have funds building up in the Water and Sewer Fund. I would like to get a couple of bids to repair that Storm Drain on Station and Chicago Ave.
