President's Report

December 9, 2013

- 1. Oak Street Project** – Fratco Co. will be donating \$10,000 in material and cash payment towards this project. We have sent them an invoice for their contribution to this project. All they are asking for in exchange is a Hold Harmless Agreement from us and the County on this project. I have asked Dana to draw up this agreement so that we can get it to them.
- 2. Street Surfacing**– I had spoken with Neil about scheduling a date this month to ride our streets with Terry and myself. However, with Neil now gone from Tyson's Engineering, this will have to be rescheduled. I have a call into Dave Tyson to see who will be assigned to our account now that Neil is gone. We still have time to get this done. We really will not be able to start this project until early spring.
- 3. Tree Light Event** – The Christmas Tree Lighting will be held again this Saturday Night at 5:00 pm. I would like to thank the Brett and Lisa Stalnecker Family for donating a tree again this year. Last years event was very well attended and if the weather cooperates, I'm sure we'll have a very good turnout again this year.
- 4. Christmas Day Dinners** – The Village of St Anne will again be one of nine sites hosting Christmas Day dinners for our residents. The dinner is at no cost to the guests. The only requirement is for the guests to RSVP. This year, we will be hosting the dinner at Northlake Villa. The time for the dinner is from 11:00 am to 1:00 pm. If anyone would like to help for an hour or so again this year, they can either call Linda DUBY at the Villa or myself.
