President's Report

June 8, 2015

- 1. New Village Hall/Community Center** –Todd Sirois and I attended a second meeting with Mike VanMill and his assistant Lisa Wogan to discuss our funding options for this project. Todd has contacted the St Anne Township Board to acquire about their interest in sharing this project with them. In exchange they would have office space and common use of the Board Room and building. We are working to put a small committee together to move this project along. This group will comprise of Todd Sirois, Chris Sutherland, a St Anne Township Trustee, myself and one other person.
- 2. Building at 167 W Station Street** – I have submitted the paperwork to secure this building. The County Board will have to agree to release the building to us. I contacted the Counties Trustee again a couple of weeks ago. To date I have not received any feedback. As soon as I hear anything I'll let you know.
- 3. Grocery Store Update** – I will be contacting Larry this week. I have not heard back from Larry since our meeting last month.
