President's Report

April 11, 2016

- 1. Building at 167 W Station Street** – The sale of this building will be posted and run until our next meeting.
- 2. Condemned Homes** – I have sent Lyubomir “Lou” Alexandrov the letter concerning the house on Chicago Ave. Lou signed for the letter on March 31st. To date I have not heard back from Lou. Legal will need to instruct us on our next step. Dana, will have an update on the Sheffield Ave house
- 3. Tape-In-Fees** – I was contacted by Rick Elkin concerning the possibility of another property owner wanting to tap into the sewage pipe that Rick had installed. We will need to have a Finance Meeting to discuss what kind of fair agreement we can work out with Rick, if any, about the allocation of any Tap-In Fees.
- 4. Burning Yard Waste** – I had a complaint concerning the burning of yard waste by our residences. Apparently, two or three homes were burning leafs and braches last month. Unless we change our stance on this topic, there should not be this type of burning going on in the Village Limits. All yard rakings and yard waste needs to be brought to the designated area by the ponds. I've spoken with Chief Franz concerning this topic and asked that he relay this issue to his staff.
- 5. Beautification Meeting** – There will be a meeting of this committee on April 19th. The meeting will be here at Village Hall at 6:00pm.
