President's Report

November 14, 2016

- 1. Condemned Homes** – We still need to focus on finding the correct owners of the home at 285 S Sheffield St. Once we have that information we can produce a plan of action with this house.
- 2. Building Codes** – I'd like for the Building Committee to look into whether or not we can control when a business owner significantly changes the scope of an existing business/building.
- 3. Christmas Tree Lighting** – The Beatification Committee and the Fire Dept. are working together on the Tree Lighting and Santa Coming to Town. This event is tentatively scheduled for Sunday, Dec. 11th. With Santa arriving at 6:00 pm.
- 4. Sidewalk Program** – I think it would be a good idea for Dustin to initial off on all of the sidewalk quotes that homeowners receives before the work is started. This would alleviate any confusion on what amount the homeowner will be reimbursed on their sidewalks.
