President's Report

September 9, 2013

- 1. Oak Street Project** – Still have not heard back from Bill Champion yet. I will call him again this week.
- 2. Playground Equipment** - The Playground group has almost completed this project. There are still two items that need to be installed. Hopefully we'll get those done in the next couple of weeks.
- 3. Beautification Committee** – We are having issues now with people illegally dumping items into the scrap metal skid. I have asked Steve to have his guys keep an eye on this. Some items that we have found are tires, mattresses, and asphalt buckets. Etc. Obviously, whoever is doing this knows better. If anyone sees a person dumping non-metal items in the scrap container please let the police know right away.
