## **President's Report**

**April 14, 2014**

- 1. Grant Application** – Terry and I will be meeting with Dave this week.
- 2. Dixie Highway Signage** – I'm still waiting for Janine Loftus, she contacted me concerning the price for Historic Route 1 sign. Once I have more information, I'll get back to the Board.
- 3. Congressman Robin Kelly** – I will be meeting with Congresswoman Kelly next week. She requested a meeting of the area Mayors. I'm not sure what she has to say, but I will report back at the next meeting.
- 4. Beautification Committee** – I plan to meet with the Beautification Committee this month. We will be discussing their plans for the upcoming year. If anyone has something they would like to see done this year, please let me know.
- 5. New Park Equipment** – Apparently some kids have broken the new Spinning Cup. The children however that broke the cup were not toddlers. I am asking that we purchase and post a sign stating something to the effect that the new area is for toddlers only. I'm not sure if this will stop the older kids from playing on the Toddler Equipment, but it can't hurt.
