President's Report

November 12, 2012

- 1. Fratco Neighbors Complaint.** - Nothing new on this item. We are waiting for the survey from Tyson Engineering.
- 2. ADA issue with the State** – I have asked Neil Piggush to give us an estimate to put together an ADA compliance plan for the Village on our buildings and sidewalks. Neil told me that they have done this planning for other Villages. This would be a plan that we could send to the Attorney Generals Office and one that could be a working plan for the Village. Once we have this estimate we can discuss this item.
- 3. Handicap Sidewalk Repairs** – I have been asked by Jr. Cote if would could fix the sidewalk in front of his in-laws house. This house is located at 355 Second Street. The sidewalk needs to be repaired, to accommodate wheelchairs. I would like to get a quote for this project to see what the cost might be. We can also include this as items that we are addressing with the State of Illinois.
- 4. Christmas Day Dinners** – We will again be hosting Christmas Day dinners for our residents that would like to have a full holiday meal. The dinner is at no cost to the guests. This year, we will be hosting the dinner at Northlake Villa. The time for the dinner is from 11:00 am to 1:00 pm. If anyone would like to help again this year, they can either call Linda Duby at the Villa or myself.
