Building Inspector: David Pomeranski, Electrical Inspector: Dennis Bonvallet

President's Report

February 14, 2022

- 1. Ralph Wilkening Property** – This property deal has been filed by Dana's office. We should have title to the land shortly.
- 2. Laundry Mat Building** – Ron Grubbs will have his washing machines and dryers removed from the build in the next couple of weeks. Weather Permitting.
- 3. Grubbs Parking Lot** – This item is done and we now own these pieces of property for our future Downtown project.
- 4. Police Dog** – I have the agreement from Aroma Park covering the transfer of the Police dog from their Village to St Anne. The dog has approximately 2 -3 years of service time remaining before he has to be retired.
- 5. Water Tower** – In speaking with Neil a couple weeks ago, I asked him how often are the inside of water towers cleaned. Neil indicated that we should be cleaning the inside of the water Tower every 3-5 years. Neil is going to get me a name of a couple vendors who do this type of work so we can get an estimate in the cost of this work.
