Louis Farber, Jerry Stam,

Building Inspector: David Pomeranski, Electrical Inspector: Dennis Bonvallet

President's Report

April 11, 2022

- 1. Ralph Wilkening Property** –This property deal has been filed by Dana's office. Still waiting on this to be finished up
- 2. Agnus Klonowski House** – I' working on structuring a deal that will give us possession of this property. I'll keep you posted on the progress of this acquisition.
- 3. Replacing Lights** – I would like to replace the 3 overhead lights in the maintenance bay of the Alexander Building with LED lights. These will be the same lights as the Police Bay that we already replaced. The cost will be around \$700.00 installed.
- 4. Street Scape Project** - Jerry Stam and I have been talking about exploring a Street Scape project for the Downtown Business District of Station Street. The first step should be gathering input from the business owners, interested parties of St. Anne and our Board. To start this process, I would like to host an Information Meeting at the Civic Center on May 5th at 7:00pm. We can send out invitations to all the Businesses on Stations Street as well as the Beautification Committee. We should be able to gather a lot of good input and ideas for this project if or when we decide to move forward with such a project.
