## **President's Report**

**May 9, 2022**

- 1. Ralph Wilkening Property** –This property deal has been filed by Dana's office. Still waiting on this to be finished up
- 2. Agnus Klonowski House** – I'm working on structuring a deal that will give us possession of this property. Dawn and I spoke last week and she is in agreement to sell it to us. The next step is to get an agreement written up on the purchase of the property. I'll keep you posted on the progress of this acquisition.
- 3. New Lawyer** – Still working on obtaining a new Law Firm for our Village. I'll keep you posted on this topic.
- 4. Street Scape Project** - Jerry Stam and I held this meeting last Thursday and it was well attended considering the weather and it was on Cinco de Mayo. We abstained a lot of good ideas for the development. In addition, there were many ideas on events that could be held downtown once we start this development. We are putting together all the items that were discussed and will get them to the board shortly.
