Building Inspector: David Pomeranski, Electrical Inspector: Dennis Bonvallet

President's Report

November 14, 2022

- 1. Agnus Klonowski House** –Michael Parish will give us an update on acquiring this property.
- 2. Electronic Sign** – I have a new proposal for the Village Electronic sign. I would like to send this proposal to the Building Committee for their thoughts and possible placement of a sign.
- 3. Water Project Phase 1** – We are waiting on the start of Phase 1 of the project. Currently, the pipes have be delivered. The contractor is waiting on the couplings to arrive before they can start. Hopefully, they will have them by next Monday and we can get this project going.
- 4. Building Demolishing** – With Water Main project about to commence, I have asked Jerry Stam to oversee the leveling of the 4 building that we have identified. Jerry will be the contact person for these properties. Jerry will keep me in the loop as we demo these buildings and let me know if we run into any issues.
- 5. TIF Meeting** – Jerry and I will be meeting with Jeff Bennett this week to discuss the potential of St Anne initiating a TIF (Tax Increment Financing) District in our Downtown area. This would be a funding vehicle to make improvements to our Downtown streets, Sidewalks, Lights Storefronts, etc. Mr. Bennett has been instrumental in the TIF districts in Bourbonnais and Manteno and has a lot of knowledge in the process and whether this will be a good idea for our Village.
