President's Report

May 8, 2023

- 1. Agnus Klonowski House** – No update at this time. Hopefully, we have a court date scheduled on this issue so we can move forward on obtaining this property.
- 2. TIF Meeting** – No new movement on this project. I will keep you posted.
- 3. Solar Farm** – I'm working with one of the local property owners on possibly using some of their acreage for this project. In addition, we might be able to use some of our property on the east side of the ponds.
- 4. New Concessions Building.** – Now that we have our new trustees and our new Committee's I would like to start moving forward on replacing the old Concession building at the Park.
- 5. Café Business** – I've been working with Bob Hoekstra and the person who is trying to open the former Gossip and Gray. Hopefully, we will have this Café open back up by the end of this month.
- 6. Kankakee Historic Preservation Committee** – This group would like to meet with us and see if we want St Anne registered as a Historical District. If we are interested in this, I would like to send this to the Build Committee and have them meet with this group. Then they can make a recommendation to the board.
