## Book Exchanges

Many years ago, several local people attempted to organize a community library. For whatever reason, the project did not take flight. Two separate entities are giving it a go once again. **Leave a Book—Take a Book** has been started at our St. Anne Grade School with the National Honor Society and sponsor Mrs. Buck (children's books only) and Carrie Navratil has a separate public system soon to open for the village which will be for readers of all ages, including adults.

## Halloween News

Visit **Benoit's Greenhouses** on Grinnell Road. The children experience a bounce pillow, animals, mini maze, corn to play in, a combine, slides and more—free!

**Trick or Treat** in St. Anne 5-7 pm, on October 31.
