## President's Report

August 12, 2024

1. **TIF District** –I have fielded a few phone calls this month concerning the TIF Public Comment meeting. Once I explain to these people what the hearing is about, all of them have said “So I don’t need to be at this meeting” and I said not really. Unless they want to hear more about what were doing. I have also had a few comments where these people say we are doing a great job and they like the idea of fixing up the downtown area.
2. **Business District Sales Tax** – Our next step in this process is to approve the ordinance at the next meeting in September.
3. **Streetscape Project** – We are at a standstill until Pete’s firm gives us their information.
4. **Phase 2 Water Project** –Work should begin on this project any day now.
5. **FS Grain** –I am still working to see if we can identify a better route, that does not include coming into town. I will keep you posted
6. **Annexations** – Michael and I are still working on annexing Dixie Delight and that unclaimed property to the set of Dixie Delight. In addition, we have been trying to correct the filing for a couple other properties.
