

Boiling Water No Longer Required

Date: 5/21/25
To: Village of St. Anne Water System Customers
Subject: BOIL ORDER LIFTED

Due to a hit water main on Monday 5/19/25 we we're forced to shut down service east of the Union Pacific Railroad tracks. Repairs have been completed and the necessary flushing and purification verification steps have also been completed.

Water samples have been confirmed to be free of coliform bacteria by a certified laboratory. You may return to normal use of your water service.

Please call our office at 815-427-8177 if you have any questions or need further information.

We apologize for any inconvenience.
